Title: **SouthXchange Faucet**

Post by: **togoshigekata** on **2019-09-11, 06:31:46**

I sent 750,000 BBP (about \$315) to SouthXchange for their Faucet:

=

Payout is about 250 BBP to 50 BBP (11 cents to 2 cents)
they put a portion of the funds in the faucet and then they refill it back up periodically
(Seems like the payout is around 1/1000 of the amount in the faucet)

Users have to be registered to use the faucet
and I believe they can click on one faucet once every 3 hours,
and there are multiple faucets to choose from

Anyone can start up or contribute to the faucet
(just have to create a support ticket
and have the funds available in your account)
