

Bible Pay

 forum.biblepay.org/index.php

Running Explorer server costs \$40/month (Vultr 4 CPU server)

<http://explorer.biblepay.org>

I am requesting \$40/month for April 2019

\$40 at \$0.000423 per BBP = 94,563 BBP from IT

Sun was funded and started running an explorer

<https://forum.biblepay.org/index.php?topic=382.0>

Its cheaper, faster and has more features

<https://chainz.cryptoid.info/bbp/>

If someone else steps up to run another I'd be very open to take mine down
