I have not submitted a proposal since July, so catching up on some expenses
Aug, Sep, Oct, Nov hosting fees.

Last proposal: <https://forum.biblepay.org/index.php?topic=429.0>

I'm requesting 3 months hosting expenses. $30/\text{mo} * 4 = 120\$$

$120 / .000264 = 454545 + 2500 \text{ proposal fee} = 457045 \text{ bbp}$
